We are pleased to announce that Citi FXLM and Children of Fallen Patriots Foundation will host the first ever Citi e for education Career Symposium on October 18, 2018. Children of Fallen Patriots' Scholars will be attending from around the country, and we hope you can join us.

The agenda for the day is included below. To get an in-depth look at various career opportunities, students will hear from professionals working at various departments within Citi, Point72 and PepsiCo. The evening will conclude with the cocktail hour, which will provide opportunities for representatives from all companies to network with the Scholars and learn more about Fallen Patriots' mission.

Children of Fallen Patriots Foundation honors the sacrifices of our fallen military heroes by ensuring the success of their children through college education. Since 2002, Fallen Patriots has provided approximately \$24 million in total assistance, including college scholarships and educational counseling to over 1,200 military children who have lost a parent in the line of duty. Nearly 20,000 children from all across America will need future assistance.

We hope to have you join us and participate in this great event.
